Thank you for accepting our invitation to conduct a workshop on Gender sensitization for our college students.

Your session conducted on September 23, 2021 titled: Understanding Masculinity was very engaging. You brought out with a lot of examples the different facets of gender roles and their impact on our lives. Your remarks specially related to toxic or hyper masculinity as promoted in commercial media are immensely relevant for the current times and for the young generation. You also so thoughtfully suggested the various mechanisms and strategies that could help in establishing a gender equal society. Interactions with the students brought out many questions and issues which you answered to their satisfaction

THANK YOU

Respected Dr. Mrs. Krushna Gandhi,

Greetings from Marrow Donor Registry India. At the outset we the people of MDRI would like to thank you and your esteemed '**Malini Kishor Sanghvi College of Commerce & Economics**' for the unconditional and immense support towards this noble cause of saving lives. It was a pleasure for us to see the staff and students of your college come forward to register altruistically and give their blood sample to donate their Stem Cells for a needy patient at the time of requirement.

Please accept our sincere thanks for the excellent support provided by you and your student volunteers in organizing and hosting our MDRI drive on the 20th & 21st. Jan 2020. We wouldn't have been able to experience this overwhelming response from your students if it wasn't for your leadership and kindness towards this cause.

I would like to specially thank Prof. Archana Singh who took a keen interest in holding this camp. I also thank the WDC Student Volunteers team who led this event with total sovereignty and diligence. My special thanks to all the volunteers who stood by us and handled the event with thoroughness.

Last but not the least we thank your students who came forward as lifesaving donors for the needy patients around the world. We registered **69 donors**.

Words cannot adequately express the gratitude that I and the MDRI Team wish to convey to you. Please know that your leadership is recognized, appreciated, valued and cherished. We thank you and look forward to continuing to work with you again in the future.

Keep up the good work.

Kind Regards

Dr. Praveen Clement
